Make your family a lasting part of the
**MAYFLOWER SOCIETY
 GARDEN WALKWAY PROJECT**

*Leave a lasting memory of your family at the GSMD Headquarters in
 Plymouth. Your inscribed brick will grace the Society Garden
 for years to come.*

Commemorative bricks are available with a donation of \$150 per brick for
 placement along the garden walkway. Your 4" x 8" brick will be laser-
 engraved with an inscription honoring your ancestors, family members,
 yourselves, or with a special message of your choice.

Brick orders are accepted year round and the inscribed bricks are placed in
 the garden twice each year. Your donation is tax deductible. To purchase a
 brick, complete the order form on the next page.
